# Out Of This World

Athletes and actors. What do they have in common? They are determined, motivated, and hardworking people who dedicate their time to their team! They make long time friendships while working toward their goals! Our actresses from the UIL show, Children of a Lesser God, totally know the time and effort that go into making a show a success! Isabella Garrido (8) told us that, "Sometimes there are 2-4 hour rehearsals, and you have to work very hard to memorize your lines and monologues." The athletes show the most perseverance! Kylie Lewis (8) practices 4 to 5 hours a week. She agrees that, "When you're on a team, it's like having a family." Track stars, tennis pros, basketball bros, we had them all this year, and we can agree they are ALL out of this world.
