

# 72 Poetry Slam & People (8th)

## RECITING and Rehearsing

**WOULD YOU BE ABLE** to go up in front of people and recite an original poem? A panel of five judges rate the poem and the lowest score and highest score are ruled out, and then the sum of the remaining numbers create the overall score. Leilani Benitez came in first place, Emma Dillon came in 2nd Place, and Ciara Sutherland came in 3rd place. The top five poets will go on to compete at the District Poetry Slam!

## MAGIC IS IN The Air

Olivia Cornett (7th)

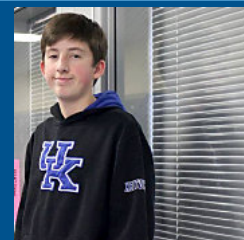

"Invisibility, because then I could sneak past people."

Karsin Cymerman (7th)

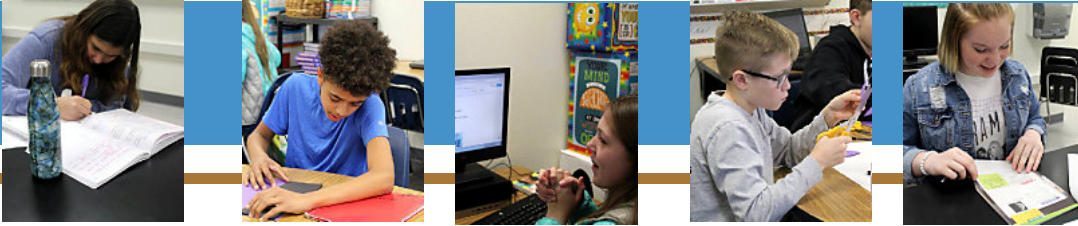

"I would go back in time, so I could fix some of my mistakes and to relive the fun times."

Allison Macaluso (6th) Jackson Willoughby (8th)

"To fly, because it would be a cool adventure."
